FP0052 - DSA: Creating and Using PLDs

completed on Sunday, Apr 19, 2015

HOURS: 2.00

LEARNING DESCRIPTION

In this module you will learn how to explain the purpose and elements of a PLD, create high-quality PLDs, critique PLDs, and understand the uses of PLDs to advance learning. In this module, you will see how PLDs define novice, intermediate, and mastery level learning for a lesson, unit, course, or year. When you finish this module, you will understand how PLDs can help you plan stronger instruction and assessment.

LEARNING OBJECTIVES

- Explain the purpose and elements of a PLD.
- Create high-quality PLDs.
- Critique PLDs for quality.
- Understand the uses of PLDs to advance learning.
