Joachim LaValley

MG1001 - Introduction to the District-Level Value Added Learning Path

completed on Saturday, Apr 09, 2016

HOURS: 0.50

LEARNING DESCRIPTION

This course provides an overview of the district- or system-level value-added learning path. The course highlights the reports that would be most useful to users at this level and describes the flow of courses in the learning path.

LEARNING OBJECTIVES

- Provide an overview of the District-Level Value-Added Learning Path.
