MG1060 - Interpreting School Value-Added Reports

completed on Tuesday, May 03, 2016

HOURS: 1.00

LEARNING DESCRIPTION

This course explains how to access and interpret School Value-Added Reports. The course explores how these reports display the aggregate school value-added results in each subject area and how this report can be used to shape school improvement. This course includes visual representations of copyrighted EVAAS® Web reporting software from SAS Institute Inc. for instructional purposes.

LEARNING OBJECTIVES

- Navigate through a School Value-Added Report.
- Examine a School Value-Added Report's contents.
- Learn to use this report to identify areas of strength, weaknesses, and opportunities for improvement in your school.
