

CERTIFICATE OF COMPLETION

Joachim LaValley
FP0002 - Clear Learning Targets

completed on Saturday, Sep 28, 2013

HOURS: 2.00

LEARNING DESCRIPTION

In the Learning Targets module you will continue your professional learning journey to maximize student achievement by learning how to make the intended learning clear to yourself and then to your students.

LEARNING OBJECTIVES

- Understand the benefits of learning targets.
- Know how to ensure learning targets are clear to the teacher.
- Know how to make learning targets clear to students.
