

# CERTIFICATE OF COMPLETION

**Joachim LaValley**

**FP0003 - Collecting and Documenting Evidence of Student Learning**

completed on Sunday, Sep 29, 2013

**HOURS: 2.00**

## **LEARNING DESCRIPTION**

In the Collecting and Documenting Evidence of Student Learning module you will continue your professional learning journey to maximize student achievement by learning how to ensure that the evidence you collect accurately reflects student learning, whether for formative or summative use. In this module we will focus on formative use. You also will explore ways to document evidence for formative use.

## **LEARNING OBJECTIVES**

- Know how to collect accurate formative evidence of student learning.
- Know how to document formative evidence of student learning.
