

Certificate of Attendance

Joachim Lavalley

Completed the Professional Development activities
associated with the Ohio Resource Center
Coaches' Workshops and the ARRA grant

Contact hours of workshop: 5

Date(s): November 17, 2010

Description of Workshop:

This workshop focuses on the integration of technology into the school curriculum in the areas of mathematics, science, and English language arts. Participants were provided with materials about coaching along with other resources. Coaches met with mentors in small groups for purposes of planning, problem solving, and looking at evidence of student learning.
